Dead Is Dead (Live at Sound & Fury Fest 2007)

Pulling Teeth

From forest to desert, a land of stress
we kill for what we do not need
yet still we justify
i see no reason for all this death
not needed to survive
from forest to desert, a land of stress
cats, dogs, cows, pigs - dead is dead
you gorge on the chemicals they're being fed
satisfied with your selfishness
dead is dead is dead
