

How R U Doin'?

Aqua

How r u doin'?

How r u doin'?

How r u doin'?

Party

It's time do it

It's time to tell us how to queue it

We're gonna pop what's in the bottle

Gonna rock what's in the shuttle

All the love, we're gonna spread it (spread it)

How r u doin'?

Hey girls, let's get it on, let's get it on till we got it

Gotta lose the distance that we got until we rock it

Tonight we're gonna share a secret invitation

Love generation, love generation

We wanna know now if you're feeling alive

We wanna know now are you ready tonight?

It's time to party 'cause the feeling is right

We wanna know now are you ready to go-oh-oh-oh?

How R U doin' girl? How r u doin' boy?

Wanna get to know you, tell us how r u doin'?

How R U doin' girl? How r u doin' boy?

Let's bring it all together, how r u doin' tonight?

First step is taken when you say it (say it, say it)

It's time to show what's in the pocket

Gonna shake what's in the rocket

All our love will turn to magic (magic, come closer)

How r u doin'?

It's time to pick it up to put it down in words, yeah

Gotta stop believing that no one's gonna hurt ya

Tonight we'll get it out with best, best intentions

Love generation, love generation

We wanna know now if you're feeling alive

We wanna know now are you ready tonight?

It's time to party 'cause the feeling is right

We wanna know now are you ready to go-oh-oh-oh?

How r u doin' girl? How r u doin' boy?

Wanna get to know you, tell us how r u doin'?

How r u doin' girl? How r u doin' boy?

Wanna bring it all together, how r u doin'?
How r u doin'?
How r u doin'?
How r u doin'?
How r u doin'? Love
How r u doin'? Love
How r u doin'? Love generation
How r u doin'? Love
How r u doin'? Love
How r u doin'? Love generation
Are you ready to go-oh-oh, go-oh-oh, go-oh-oh-oh?
How r u doin' girl? How r u doin' boy?
Wanna get to know you, tell us how r u doin'?
How r u doin' girl? How r u doin' boy?
Let's bring it all together, how r u doin'?
We wanna know now if you're feeling alive
We wanna know now are you ready tonight?
It's time to party 'cause the feeling is right
We wanna know now are you ready to go-oh-oh-oh?
How r u doin' girl? How r u doin' boy?
Wanna get to know you, tell us how r u doin'?
How r u doin' girl? How r u doin' boy?
Let's bring it all together
How r u doin'?
