Strollin' Down the Highway

Nick Drake

Strolling down the highway
I'm gonna get there my way
Just keep on down-a-walking
You hear my guitar, rocking
Well I stroll on down
On down the highwayPeople think I'm a crazin'
Lot about how they're-a-lazin'
Sunshines all day long
Narcotics far too strong
Well, I stroll on down
On down the highwayCars won't stop for no one
But don't you think that
You're just rolling down
Think you are a spy
Gonna shoot them as they go by
Well, no cars, no cars
Won't stop for no oneStrolling down the highway
I'm gonna get there my way
Just keep on down-a-walking
You hear my guitar, rocking
Well I stroll on down
On down the highway
