Say Hey!

Satchel Grande

All around, round, round, if you hear me
Holler out, out, out to the airwaves
If youre down, down, down, everyone say Hey! Hey! Oh!Cruisin up on the west coast, me and my girl go
Between a Caddy and a Range Ro
Parallel to the shoreline, pedal to the floor
Im laying low as I sore by
Top down when I drive in, breakin my ride in
I wanna let the sun shine in
The sun doubles the score, our shadows make four silhouettes
Getting down in the daylight
Oh, oh everybody go rock downtown til the place implodes
Oh, oh hear the bass echo
Hear the boom, boom, boom
Hear the bass echoAll around, round, round, if you hear me
Holler out, out, out to the airwaves
If youre down, down, down, everyone say Hey! Hey! Oh!
Like a fashion show
Strut up celebrity row
If youre down, down, down, everyone say Hey! Hey! Oh!Cruisin up on the west coast, sporting our dress code
Me and shawty in our best clothes
Getting down on a late night, bouncing on the south side
Backing out of street fights
Wouldnt let a bad run-in ruin my fun when
I wanna wake up to the sun again
Our shadows go with the sun then we only become solo silhouettes under black lights
Oh, oh everybody go rock downtown til the place implodes
Oh, oh hear the bass echo
Hear the boom, boom, boom
Hear the bass echoAll around, round, round, if you hear me
Holler out, out, out to the airwaves
If youre down, down, down, everyone say Hey! Hey! Oh!
Like a fashion show
Strut up celebrity row
If youre down, down, down, everyone say Hey! Hey! Oh!My legs and feet dont wanna take it slow
If youre with me, then let the whole world know
Lets bring this city down and take control
Wanna hear this place echo a beautiful sound?
Everyone just holler out
Everyone just holler outAll around, round, round, if you hear me

Holler out, out, out to the airwaves
If youre down, down, down, everyone say Hey! Hey! Oh!
Like a fashion show
Strut up celebrity row
If youre down, down, down, everyone say Hey! Hey! Oh!Everyone just holler outEveryone just holler outEveryone just holler outLike a fashion show
Strut up celebrity row
If youre down, down, down, everyone say Hey! Hey! Oh!Everyone just holler out
