

No Condition

Mary J. Blige

heyyyyyyyyyy
woahhhhhhhh
heyyyyyyyyyy
woahhhhhhhh[verse 1:]
can't even hide it, it's written on my face
and i don't have any more time or energy to waste
so i'm waving my white flag
sad it has to be like that
it ain't working out maybe in another life or space[hook:]
oh i
baby, i gave you
ohhhhhh
everything that i could give you
sooo i made my decision
loving you's been a mission[chorus:]
nowwww i'm in no condition
to love you (no more)
nowwww i'm in no condition (ummm)
heyyyyyyyyyy
woahhhhhhhh
heyyyyyyyyyy (said i'm waving my white flag)
woahhhhhhhh (sad it has to be like that)[verse 2:]
barely any happy days, we always seem to have drama (too much drama)
and it's really weighing heavy on me baby
both of us acting crazy
i hate it when we fight
middle of the night
always seems to remind me
love, how much it hurts
to know it's getting worse
my faith in us is slowly dying[hook:][chorus:]
nowwww i'm in no condition
to love you (no more)
i'm in no condition
heyyyyyyyyyy (hey)
woahhhhhhhh
heyyyyyyyyyy
woahhhhhhhhheyyyyyyyyyy (i'm in no condition to love)
woahhhhhhhh (i'm in no condition to love)

heyyyyyyyyyy (i'm in no condition to love)
woahhhhhhhh (no condition!)
damnHow did you go from being my best friend (oh oh)
To me barely even wanting your affection? (oh oh)
I never would've thought (hey)
That i would be, (Oh)
So why'd I be your
No (oh, oh, oh, oh)
Oh hold me down (hey) hold me down (oh) yeah
You hold me down even though it's sad to say it's over now
I can't love you under these conditions[hook:]so i made my decision
loving you's been a mission[chorus:]
nowwwwwwww i'm in no condition
to love you (no more)
i'm in no condition
heyyyyyyyyyy (i'm in no condition to love, no)
woahhhhhhhh (i'm in no condition to love, no)
heyyyyyyyyyy (i'm in no condition to love you)
woahhhhhhhh (i'm in no condition to love, no)
heyyyyyyyyyy (i'm in no condition to love, no)
woahhhhhhhh (i'm in no condition to love, no)
heyyyyyyyyyy (i'm in no condition to love, you)
woahhhhhhhh (i'm in no condition to love, no)
i'm in no condition to love (no condition baby!)
i'm in no condition to love, no
