Roses

Kelsea Ballerini

You brought one to my door
Stood there on the front porch
That was the beginning
We had those tires spinning
Down to the green grass
Outside of town
Wild and free, never slowing down
I thought I needed you like airWe burned hot, burned out, like a flame
But in my head, you'll never fade
Yeah, we were classic
My dress, your leather jacket
Didn't know how good we had it
But, boy, we had it
14th of February, gotta feeling my heart still carries
Yeah, we didn't know it
Thought we could grow it
Beautiful for a moment
We were roses
We were rosesYou put one in my hair
We danced in the middle of nowhere
You and me all summer
Bright and living colorMy lips were red
Your eyes were blue
And I thought I saw forever in you
Yeah, we were classic
My dress, your leather jacket
Didn't know how good we had it
But, boy, we had it
14th of February, gotta feeling my heart still carries
Yeah, we didn't know it
Thought we could grow it
Beautiful for a moment
We were rosesBut seasons had to change
And like flowers they bloom and withered awayYeah, we were classic
My dress, your leather jacket
Didn't know how good we had it
It was so good while it lastedYeah, we were classic
My dress, your leather jacket
Didn't know how good we had it

But, boy, we had it
14th of February, gotta feeling my heart still carries
Yeah, we didn't know it
Thought we could grow it
Beautiful for a moment
We were rosesWe were beautiful for a moment, baby
We were roses
We were beautiful for a moment, baby
We didn't know it
Thought we could grow it
Beautiful for a moment
We were roses
