

Chapter II - Upon Fallen Autumn Leaves

Haggard

Moonrise
On my path
Als ich nun wand're auf dem Pfad
Und die Dunkelheit verhlit
Den Mondenschein der Licht mir gab
Der das inn're Toben stillt
Suddenly
Along the mountainside
Fog demons slowly rise
Oh wanderer you'll see
Your fate seems to be sealed by thee
As magic did weave
On sanctified grounds
He fell on this knees where he stood
And blinded by those
That have passed long ago
Here in Gildeon's Woods
As he turns his head
Hurt by the beasts
His heart filled with fear
For this is the end
Or will he find
The way out of here
Requiem aeternam dona eis, Domine
Et lux perpetua luceat eis
Te decet hymnus, Deus, in Ithiria
Sanctus
Dominus
Quid sum miser tunc dicturus
Requiem aeternam
Il mistero
Valli di Ithiria
Deep inside the forest's heart
Enchanted by the ones of ancient times
Magic be their light
That dimmers deep within
Night at Gildeon's Woods
Did you ever wander?
And you got lost on secret paths?
Did you ever see them?
Is purity within your heart?
Then trough the trees
A light you may have seen
That saved you from the dark
Moonrise
Wenn auch die Hoffnung in mir schwand
Mit zitternd Hand
Mein Schwert ich zieh'
Unterm finst'ren Himmelszelt
Der Wlfe Hunger nie versiegt
Ein Hieb, ein Schrei, ein Schmerz, ein Licht
Doch es ist des Todes
Dst'rer Schatten nicht
Gazing at the moons' silvery light
Here, where history may fall
Enter the realm of darkened mimght

Courage may now be with us all
In times of freedom, times of fear
Mother death stands by their side
An unicorn so proud and clear
Ride when all the worlds collide
On my path
Als ich nun wandre auf dem Pfad
Folg' dem Lichte, das mich fhrt
Als der Taverne ferner Schein
Tief mein ngstlich Herz berhrt
