Ride My Tempo (Deeper People Remix Edit)

Ida Corr

Early morn 7 9, I was born on time
Mama singing my my side
Daddy there standing by
Took a while for I to see
Exactly what your giving me
Now that I'm woman grown making
Heads turn on my ownAnd nobody's gonna bring me down
Ain't nobody who can touch me now
'cause nobody else has got what I've got
Nobody else gonna make it this hot
My words, my rhythm, have you heard what I'm givingUh uh you on the dancefloor
Can you ride on my tempo
Uh uh you in the yard
Are we making you sweat
Uh uh up on the pavement
Are you feeling this tempo
Uh uh it ain't hard
We gonna ride it trough the nightSo now your feeling my style
Is breaking down for a while
We got you running for miles and I'll tell you why
Taking you for a trip so let you back bone slip
Lick your lip double dip baby moove your hip
Wanna take you away
From the pain let me say everyday
Ain't the same as yesterday
'cause life is gritty and dark in the city
Uh ah what a pitty
Better leave I all behindChorus and nobody...Uh uh...
