

Sweet Addiction (feat. H.E.R.)

Yuksek

I don't wanna be high then no more
I don't wanna be running no more
Just wanna be cruising
Oh, by the shore
Just wanna be holding hands
And more
And I just wanna be free to ignore
The hate you keep in store Sweet addiction to you
Repetition feels new
You're upside down
Gotta throw the hatred
Yeah, yeah...
Have faith in your healing right
Showing you all out of sight
Cause I'm upside down Sweet addiction to you
Repetition feels new I don't wanna be running no more
I just wanna be cruisin'
Oh, by the shore
And I just wanna be free to ignore
The hate you keep in store. Sweet addiction to you
Repetition feels new
You're upside down
We gotta be together
I want you now
Have faith in your healing right
Showing you all out of sight
Cause I'm upside down
