

# Autumn Leaves

**Nana Mouskouri**

Autumn leaves fall and are swept out of sight  
The words that you said have gone too  
Autumn leaves fall and are swept out of sight  
So are the memories of love that we knew  
The wind of forgetfulness blows then  
Into the night of regret  
The song you would often sing  
Is echoing, echoing yet  
The falling leaves drift by the window  
The autumn leaves of red and gold  
I see your lips, the summer kisses  
The sun burned hands I used to hold  
Since you went away, the days grow long  
And soon, I'll hear old winter's song  
But I'll miss you most of all, my darling  
When autumn leaves start to fall  
When autumn leaves start to fall
