How Do You Like It?

Darius

I'm not sure if yes means no or what
I'm not sure if go means stop or not
And I need more of what you're really feeling
'Cause innocence ain't so appealing

I'm confused, you're hot but you're not sweatin' it
'Cause I feel bruised I give but you're not gettin' it
And I don't get you, you say we're really makin' it
All dressed up but I'm feeling naked

How do you like it? Don't try to fight it
It's wrong in your head so you fake it instead
How do you want me? Don't give up on me
I'll touch you there just let go of your fear
Help me make this happen for you
How do you like it? How do you like it?

You're not sure if pushing is the thing to do
And you want more but you're scared that I'll think less of you
But I can't give more if you don't get what I'm saying 'cause
Nothing ventured, nothing unchained

Can we do that? Let's get to the meat of it
It's up to you now show me how to see to it
I'm not sure you're really into
Doing the things you think I want to

How do you like it? Don't try to fight it
It's wrong in your head so you fake it instead
How do you want me? Don't give up on me
I'll touch you there just let go of your fear
Help me make this happen for you
How do you like it? How do you like it?

How do you like it?
How do you like it?
How do you like it, like it, like it?
How do you like it?

I can't leave you hanging on the edge of it

I got a need to please you and the rest of it
I'm so sure that you'd be into
Doing the things you know I want to

How do you like it? Don't try to fight it
It's wrong in your head so you fake it instead
How do you want me? Don't give up on me
I'll touch you there just let go of your fear
Help me make this happen for you
How do you like it? How do you like it?

How do you like it? like it?
How do you like it, like it, like it?
How do you like it?
