

# Born

## Over the Rhine

I was born to laugh  
I learned to laugh though my tears  
I was born to love  
I'm gonna learn to love without fear

Pour me a glass of wine  
Talk deep into the night  
Who knows what we'll find

Intuition, deja-vu  
The Holy Ghost haunting you  
Whatever you got  
I don't mind

Put your elbows on the table  
I'll listen long as I am able  
There's nowhere I'd rather be

Secret fears, the supernatural  
Thank God for this new laughter  
Thank God the joke's on me

We've seen the landfill rainbow  
We've seen the junkyard of love  
Baby it's no place for you and me

I was born to laugh  
I learned to laugh through my tears  
I was born to love  
I'm gonna learn to love without fear
