

# A Dream

## Project Pitchfork

You pushed the button  
We heard your call  
Again and again  
What is wrong with you  
My love? Too much to do - too much to take  
Too fast to stay - much more to get  
Nothing to reach - no chance to see  
No time to lose  
Better not feel - the cold inside  
Just kills another child  
Too much to do - too much to take  
Too fast to stay - much more to get  
Nothing to reach - no chance to see  
No time to lose - better not feel What is wrong with you, my love?  
You left home at dawn  
A misty cold morning long ago  
Was the beginning of a dream  
A nightmare yet - but still a dream  
Of frozen stars and blood like ice  
Left behind in the darkness  
Exists no time  
A dream of freedom, peace and love  
Wake up - your nightmare became alive  
The past drops into the future  
Present feels like death without your love Too much to do - too much to take  
Too fast to stay - much more to get  
Nothing to reach - no chance to see  
No time to lose  
Better not feel - the cold inside  
Just kills another child  
Just kills another child What is wrong with you, my love?  
You left home at dawn  
A misty cold morning long ago  
Was the beginning of a dream  
A nightmare yet - but still a dream  
Of frozen stars and blood like ice  
Left behind in the darkness  
Exists no time  
A dream of freedom, peace and love

Wake up - your nightmare became alive  
The past drops into the future  
Present feels like death without your love What is wrong with you, my love?  
You left home at dawn
