No Reply (Demo)

Buzzcocks

When I phone you night and day
I get no reply, no reply
I keep writing those letters and send them away
To get no reply, no replyNo reply oh, can't you see
No reply it's ruining me
Even when I ask the reason why
I get no reply, no reply, no reply, no replyOh no no no no
No reply, no reply
Oh no no no no
No reply, no replyI'm bruising my knuckles knocking at your door
To get no reply, no reply
I've stood it for so long but can't stand it no more
To get no reply, no replyNo reply oh, can't you see
No reply it's ruining me
Even when I ask the reason why
I get no reply, no reply, no reply, no replyOh no no no no
No reply, no reply
Oh no no no no
No reply, no replyI'm bruising my knuckles knocking at your door
I get no reply no reply
I've stood it for so long but can't stand it no more
To get no reply no replyNo reply oh, can't you see
No reply it's ruining me
Even when I ask the reason why
I get no reply, no reply, no reply, no replyOh no no no no
No reply, no reply
Oh no no no no
No reply, reply, reply, reply
