Let the Music Play

Alexia

Don't you want me
Don't you know it's so hard to read my mind
Don't you need me
Don't you need me
Let the music play over and over
Move on up, get it on, run away
Let the music play over and over
Ease your mind and you'll be freeLet the music play over and over
Move on up, get it on, run away
Let the music play over and over
Ease your mind and you'll be freeWhen you're not in the right mood
All you need is to cry
Mama's thinking that you're good
But you feel like you're dyingCan't stop your heart from beating
When you're falling in love
Can't you feel how your heart is beating
Deep inside youLet the music playGetting out of your bedroom
Starting to make up your mind
Life is better without gloom
Leave your sorrow behindDon't stop your heart from beating
If you want to be loved
Can't feel how your heart is beating
Deep inside youLet the music playDon't you want me
Don't you know its so hard to read my ming
Don't you need me
Don't you need meLet the music play over and overLet the music play over and over
Ease your mind and you'll be freeLet the music play
