

So In Love Feat. Jack Johnson and Colbie Caillat

Ted Lennon

I know a girl
Who doesn't want wrinkles
Wonder for how long I'll be single
Moving around no place to dwell
A wrinkle in time is the story she tells me to read
I could've told you so much simpler
Instead I spare a girl some change
But now time has taken us over
But I won't be a victim of time

And I just wanna be in love
I want us to be in love
I just wanna be in love
Don't you wanna be in love

Some people wait til they get married
What if I never get married
Could I live my whole life without knowing
That doesn't sound like my life story

And I just wanna be in love
I want us to be in love
I just wanna be in love
Don't you wanna be in love
So in love, so in love, so in love. Uh-huh uh-huh
So in love uh-huh. Woa
Lord knows I've waited for something better
and I've only got myself to change
wrinkles and time can make you feel lower
fall in love forget your age

And I just wanna be in love
I want us to be in love
I just wanna be in love
Don't you wanna be in love
so in love, so in love, so in love
