

My Beautiful Flower

My Ruin

Your mouth blooms like a cut
Sweet and full of sin
I prick myself on your thorns
And I bleed within Your leaves fade to brown
And I watch you die
In my torture garden
Under black sunshine My beautiful flower
He loves me not, he loves me
He loves me not, he loves me
He loves me not, he loves me
He loves me not, he loves me He loves me not, he loves me
He loves me not, he loves me
He loves me not, he loves me
We all fall down Our love starts to spoil
Your lips bleed like a rose
Underneath the soil
Is where the evil grows Your petals start to fall
And the weeds attack
In my torture garden
The blue sky is black My beautiful flower
He loves me not, he loves me
He loves me not, he loves me
He loves me not, he loves me
He loves me not, he loves me He loves me not, he loves me
He loves me not, he loves me
He loves me not, he loves me
We all fall down Your mouth blooms like a cut
Sweet and full of sin
I prick myself on your thorns
And I bleed within Our love starts to spoil
Your lips bleed like a rose
Underneath the soil
Is where the evil grows I am earth, you can feel me touch you
Hear me breathe 'cause it's my air that loves you
And I am fire, you will feel me burn you
Come inside and I'll be water with you He loves me not, he loves me
He loves me not, he loves me
He loves me not, he loves me
He loves me not, he loves me He loves me not, he loves me

He loves me not, he loves me
He loves me not, he loves me
