## Free Weed

Later

I want to talk it out with you  
Try to get my message through  
That's not all I want to do

Later

Later

I want to feel your body close  
From your head down to your toes  
Maybe help you fold your clothes

Later

I want to spread the news, don't want to soft soap you  
We're meant to live and love together girl Oh babe  
There's nothing I can do, oh darling

I love you

There's no way you can stay home, alone, babe

Later

I want to talk it out with you  
Try to get my message through  
That's not all I want to do
