

Still Runnin'

Randy Meisner

House-Leese

Movin' out on the back street darkin'
Your wheels keep turnin' around
The city lights don't listen to your heartbeat
It all comes tumblin' 'round
It's been a long hard lonely ride
It never seems to set you down
Still runnin', still runnin'
Dreams are getting harder to find
Still runnin', still runnin'
Running 'til the day you die
Hear the rain and the thunder calling
Pounding out your name in lights
The only taste of your happiness keeps you
Movin' in the middle of the night
It's been a long hard lonely ride
You never seem to get it right
Still runnin', still runnin'
Dreams are getting harder to find
Still runnin', still runnin'
Running 'til the day you die
Running with fantasies
You can never settle down
When love keeps burning to the ground
Still runnin', still runnin'
Dreams are getting harder to find
Still runnin', still runnin'
Running 'til the day you die
Still runnin', still runnin'
Still runnin', still runnin'
