Umar Dumps Dormammu

Emmure

I'm a giver of life
Then your a stealer of souls
Why would you do this to me?

Purification. I cut my fucking ties.
I swear I'm through with you.
I guess your whole life is a lie.

Poor Dormammu. No one loves me.
I couldn't get over how quick you said goodbye.
And so I sit and question why am I alive?
So I called you in the middle of the night.
Just to hear you say hello one last time.
