

# The Ballad of Yaya

## Edward Sharpe & The Magnetic Zeros

Block out the sun Yaya  
Parachute princess  
The movie is over  
Lay that dirt on me Jump the deck Yaya  
Howl at the sun Yaya  
I see you changing though you're not the only one  
Howl at the moon Yaya  
Let it be done Yaya  
Yeah you're not the only one Running for the sun Yaya  
Running for the sun Yaya Oh you're looking tall  
Quite a big fall  
Don't let the ground scare you  
Just a cinema mindfuck  
The martyrdom dumb dumbs  
Wake up the sun Yaya  
Suffering meaning  
The movie is over  
Lay that dirt on me  
Jump the deck Yaya  
Howl at the sun Yaya  
I see you changing oh you're not the only one Howl at the moon Yaya  
Let it be done Yaya  
I see you changing oh you're not the only one  
Howl at the moon Yaya, howl at the sun Yaya  
Yeah you're not the only one Running for the sun Yaya  
Running for the sun Yaya Oh we're living heart  
All our lives are dreams  
Call to kumbaya  
When you scream  
Oh the ground is cold when it splits the body round and round you go  
Oh it's understood it's going to be hard Resurrection love, Yaya proves her love  
Don't let the ground scare you  
Suffering papa  
The movie is over
