A Woman Does Too

Danielle Peck

A man has his dream
He hopes he prays
He laughs he cries
A man tries his best
Sometimes he falls
A man does what he has to do
And a woman does too
A mand wants to love
With all his heart
He's not afraid
A man needs someone to share his life
He wants someone to hold at night
Like baby I do
Yeah a woman does too
[Chorus:]So baby lay down here beside me
Sometimes a man just needs two arms to fall into

And if you wanna know the truth
A woman does too
A man has to be strong
Standing tall
To make his way
A man takes on the world
Holds his ground
He has so much he has to prove
And a woman does too
[Chorus:]So baby lay down here beside me
Sometimes a man just needs two arms to fall into
And if you wanna know the truth
A woman does too
A woman does too
This woman does too
