

# Chee Chee-Oo Chee (Sang the Little Bird)

Dean Martin

(Chee-chee oo chee, chee-chee oo chee)  
(Chee-chee oo chee, chee-chee oo chee)  
Once on a tree top tall a little bird  
(Chee-chee oo chee, chee-chee oo chee)  
Sang out the sweetest song I ever heard(Chee-chee oo chee, chee-chee oo chee)  
He sang to me so merrily  
(Chee-chee oo chee, chee-chee oo chee)  
The little birdie on the treeLife's such a lovely thing it seemed to say  
(Chee-chee oo chee, chee-chee oo chee)  
If you'd only sing your cares away  
(Chee-chee oo chee, chee-chee oo chee)  
Chee chee-oo chee so merrily it went along(Chee-chee oo chee, chee-chee oo chee)  
Chee chee-oo chee so happily his little song  
(Chee-chee oo chee, chee-chee oo chee)And so  
(And so)  
I sing  
(I sing)  
Chee-chee oo chee, the happy happy little thingIf you  
(If you)  
Feel blue  
(Feel blue)  
Sing chee-chee oo chee and you can be as happy too(Chee-chee oo chee, chee-chee oo chee)  
(Chee-chee oo chee, chee-chee oo chee)  
(Chee-chee oo chee, chee-chee oo chee)  
Sing this happy little song(Chee-chee oo chee, chee-chee oo chee)  
(Chee-chee oo chee, chee-chee oo chee)  
(Chee-chee oo chee, chee-chee oo chee)  
Chee-chee oo cheeChee-chee oo chee, it sang to me so merrily  
(Chee-chee oo chee, chee-chee oo chee)  
Chee-chee oo chee, the little birdie on the tree  
(Chee-chee oo chee, chee-chee oo chee)(If you feel blue)  
Sing chee-chee oo chee, chee-chee oo chee  
And you can be as happy, too(Chee-chee oo chee, chee-chee oo chee)  
(Chee-chee oo chee, chee-chee oo chee)  
(Chee-chee oo chee, chee-chee oo chee)  
Sing this happy little song(Sing chee chee-oo chee, chee chee-oo chee  
And you can be as happy as can be)
