Breezin' Along With The Breeze

Josephine Baker

I have been a rover since I was a child
No one to love or care for me
Knocked around all over, kinda grew up wild
My home's wherever I may be

Ain't no someone yearnin', wonderin' where I be
I'm gone, but no one's missin' me
Ain't no light a-burnin' ev'ry night for me
I'm like a bird that's flyin' free

I'm just breezin' along with the breeze
Trailin' the rails, roamin' the seas
Like the birdies that sing in the trees
Pleasin' to live, livin' to please

The sky is the only roof I have over my head
And when I'm weary, Mother Nature makes me a bed
I'm just goin' along as I please
Breezin' along with the breeze

I'm just breezin' along with the breeze
I'm trailin' the rails, roamin' the seas
Like the birdies that sing in the trees
I'm pleasin' to live and livin' to please

The sky is the only roof I have over my head
And when I'm weary, Mother Nature makes me a bed
I'm just goin' along as I please
Breezin' along with the breeze
