3:30 In The Morning

Timbaland

Oh, well, well, well, well, mmm
Oh, ho, oh, oh, oh, ho, oh
Mmm, mmm, uh, uh
Oh yeah, oh yeah, yea
Tell me, why you trippin', out on me, mmm
Every time I wanna hang out, you get mad at me
Why can't I do the things, that I like to do, mmm
Why can't you put your trust in me
Like I put my trust in you, even if I'm
Even if I'm out till 3:30 in the morning
I won't talk to no one, I'ma tell 'em about my honey
Even if the guys try to tip me with their money
I'ma let 'em know, I'm dedicated to my honey
Why you wanna argue with me, all the time?
Even when I'm out with my girls, you be on my mind
Why can't you sit down and understand
That no matter where I be, or where I am
I let them know that you're my man, you're my man
Even if I'm out till 3:30 in the morning
I won't talk to no one, I'ma tell 'em about my honey
Even if the guys try to tip me with their money
I'ma let 'em know, I'm dedicated to my honey
No one but you
I'll be coming home to you
No one but you
Even if it's after two
Even if I'm out till 3:30 in the morning
I won't talk to no one 'cause I've got my honey
Even if the guys try to tip me with their money
I'ma let 'em know, I'm dedicated to my honey
