

# Lazy Eye (Brian Lebarton remix)

## Silversun Pickups

I've been waiting  
I've been waiting for this moment all my life  
But it's not quite right And this real  
It's impossible if possible  
At whose blind word  
So clear but so unheard I've been waiting  
I've been waiting for this silence all night long  
It's just a matter of time To appear sad  
With the same old decent lazy eye  
Fixed to rest on you  
Aim free and so untrue Everyone's so intimately rearranged  
Everyone's so focused clearly with such shine Everyone's so intimately rearranged  
Everyone's so focused clearly with such shine Lost and loaded  
Still the same old decent lazy eye  
Straight through your gaze  
That's why I said I relate  
I said we relate  
It's so fun to relate It's the room, the sun, and the sky  
The room, the sun, and the sky I've been waiting  
I've been waiting for this moment
