

Stormy Waters

Black

I call of thmmm
I seen the signs
Won't waste my time any longer
You made your choice
So go let it loose
Go play and lose... with the rainbows
Where I don't know what I see when I look at you now
Did you lie down for him
Did you give yourself to him
Dip your stupid toes in stormy waters
Stormy Waters
You look lonely and cold
A thousand years old
And you're eyes don't show what you have but you've sold
And I don't need to know
But I want to know
