A Girl Like Me

è•¾å“ˆå¨œ

What you get is what you see
Let me tell you basically
This is how it's gotta be
Can't, with a girl like me
Can't change my destiny
So if you wanna get next to me
Gotta treat me faithfully
Can't, with a girl like me
Two o' clock, I'm all alone
Hear you on the telephone
Telling me another line
Said that you'd be working late
Asking me if I could wait
Run that by me one more time
Keep me hanging on the line
But you're running out of time
Might have been a fool for love, but I'm not blind
If you're looking for a play thing
Every other day thing
I am not the one for you
I'm not looking for a part time
Give me half your heart and
Tell me what you're gonna do
Look into my eyes, let me tell you one more time
I need everything, that's how it's gonna be
With a girl like me
With a girl like me
Broken rings and promises
Gotta be much more than this
I don't have to compromise
Been around enough to know
When it's time to let it go
Do I have to say, ?Goodbye?
Gonna make it clear to you
Only one thing left to do
Better understand 'cos every word is true
If you're looking for a play thing
Every other day thing
I am not the one for you, yeah yeah

I'm not looking for a part time
Give me half your heart and
Tell me what you're gonna do
Look into my eyes, let me tell you one more time
I need everything, that's how it's gonna be
With a girl like me, oh yeah
With a girl like me, yeah,yeah,yeah,yeah
Yeah, yeah, yeah
What you get is what you see
Let me tell you basically
This is how it's gotta be
Can't,with a girl like me
(With a girl like me)
Can't change my destiny
So if you wanna get next to me
Gotta treat me faithfully
Can't, with a girl like me
Gonna make it clear to you
Only one thing left to do
Better understand 'cos every word is true
If you're looking for a play thing
Every other day thing
I am not the one for you, yeah, yeah
I'm not looking for a part time
Give me half your heart and
Tell me what you're gonna do
Look into my eyes, let me tell you one more time
I need everything, that's how it's gonna be
With a girl like me
(That how it's gotta be)
With a girl like me, yeah, yeah, yeah, yeah
Yeah, yeah, yeah
Yeah, yeah, yeah, yeah
Oh yeah
Yeah, yeah, yeah, yeah
Yeah, yeah, yeah
