

# Sex 101

Jay Sean

Sex 101, sex 101, s-sex 101  
Sex 101, sex 101, s-sex 101, sex 101  
Girl you can have,  
1 and 2 and 3 and 4  
Bottles or more  
Ain't no feelings  
You can stay longer  
Whatever you wanna  
Baby break it down like this  
You gotta body that I cant resist  
And there's so many things that I wanna see  
Just a few things that I wanna teach  
Yeah, yeah  
[BRIDGE]I wanna take you home  
Are you coming?  
get right to the point with my lovin  
Yeah  
You learning something new for the night  
I can do you right, yeah  
I can change your life  
So tell me, tell me whats it gon be  
Baby are you coming coming home with me  
Baby  
Its whatever you like  
Yeah yeah  
[CHORUS]Girl you wanna leave  
that aint nothin but a word to me  
Me and you can get up in them sheets  
That's sex 101 baby, yeah  
And if you wanna leave  
Show you things that you've never seen  
Do the things that you wont believe  
That sex 101 baby, baby, yeah  
Sex 101, its one on one  
Sex 101, its one on one  
Sex 101, its one on one  
So baby close the door  
Let your dress slip down to the floor  
Baby I'm sure

We gon get it in  
I'm gon do it proper  
We can take our time  
You ain't even gotta rush  
The only ones in class are us  
And there's so many things that I wanna see  
Plus a few things that I wanna teach  
Oh oh  
[BRIDGE]I wanna take you home  
Are you coming  
get right to the point wit my lovin  
Yeah

So tell me, tell me whats it gon be  
Baby are you coming coming home with me

And if you wanna leave  
Show you things that you've never seen  
Do the things that you wont believe

[TYGA]Uh, lay down on the bed flat  
Got you like, I ain't know it was like that  
Biting on your neck  
Don't be scared to bite back  
Once I get you wet you cant fight that  
Soaking in the sheets hope you got another set  
Cos when I'm done guarantee we gon leave a mess  
Rubbing on my tats put this ice on your chest  
Sex all night one on one no stress  
Uh, get you high when I'm going low  
Got the heavy metal shit no rock n roll  
Roll you over now I'm licking in your ear lobe  
Got that nice and slow, like usher doe

Most women they tempt me to move fast  
But Imma make the time stretch like gym class  
Bet you never had, keep you coming back  
to back, to back, to back  
[JAY SEAN]She knows, girl I really wanna test your body  
Got so many questions  
And you ain't even needa ask no body  
Ill teach you the lesson  
Touch me here, touch u there  
Kiss me here, anywhere  
Feels So right, cant go wrong, all night long  
Sex 101, sex 101, s-sex 101  
Sex 101, sex 101, s-sex 101  
[CHORUS]Girl you wanna leave  
that aint nothin but a word to me  
Me and you can get up in them sheets  
That's sex 101 baby, yeah  
And if you wanna leave  
Show you things that you've never seen  
Do the things that you wont believe  
That's sex 101 baby, baby, yeah  
Sex 101, its one on one  
Sex 101, its one on one  
Sex 101, its one on one  
We can do it,  
We can do it all night  
We can do it,
