

# A Million To One

Selena

A million to one  
That's what our folks think  
about this love of ours  
A million to one  
They say that our love will fade like yesterdays clouds  
They're betting everything that our love won't survive  
They're hoping in time we'll forget each other lives  
A million to one  
They say were to young to know the meaning of love  
A million to one  
That they've forgotten the dreams that were dreaming of  
But we'll forgive them because we love them  
after all that's said and done.  
There's one in a million  
A million to one  
A million to one  
They say were to young to know the meaning of love  
A million to one  
That they've forgotten the dreams that were dreaming of  
But we'll forgive them because we love them  
after all that's said and done.  
There's one in a million  
A million to one  
A million to one, a million to one
