

# No Reason

## Callenish Circle

[Music by: Callenish Circle]

[Lyrics by: Ronny Tyssen & Patrick Savelkoul]Ever heard my suffer

I wonder why, is this real

What have you done to me

For no reason at allAnd I feared

You don't seem

Just gave up

Why...do you careEverything is lost

All hope is gone

And I even won't complain

For this is my way of the crossAnd I feared for this to happen

You do not seem to care

Just gave up all we had

Don't you bother

Don't you fucking careDo you careAnd still I try to forget

It keeps on running inside my mind

Alone...
