Calling You

Martin Levac

Hello can you hear me
Iâ€™m here still waiting in the dark
Why are you trying to avoid me?
Have I done something wrong or was it the show?
Iâ€™m calling you oh oh oh
Iâ€™m calling you oh oh oh

Nobody came to see me
Being so lonely after your show
No one, no one dared to help me
No one cared about me
I feel so alone â€¦â€¦

Iâ€™m calling you oh oh oh
Iâ€™m calling you oh oh oh
No body no bodyâ€¦â€¦â€¦
