

Keepers of His Light

Jenny Phillips

VERSE 1:

we were saved
for these final days
and he has blessed us
with the faith
to follow him
and remember him
in a world that's gone astray
to rise above the darkness that's around us
that we might have his holy light surround us

CHORUS:

we will stand strong
in the preseance of our god
letting virtue garnish every thought
we will hold on
always steadfast in his ways
faithful to the promise
we have made
by the way we live our lives
we are the keepers of his light
(true to the faith that our parents have cherished true to the truth for which martyrs have perished)

VERSE 2:

we believe we're children of a king
and we will honor him
faithfully
we will lift our minds
we will choose the light
living lives of purity
we can feel his mighty power inside us
we know he is reaching out to guide us

CHORUS

we are the keepers of his light
