No Pressure

Amanda

Don't push, don't rush
Don't sacrifice our love
Don't move too soon
Slow down, baby, don't be a foolDon't suffocate the flame
If you wanna stay in the game
Ooh baby, please
Don't put no pressure on meI know you want me to stay tonight
But you're not gonna change my mind
Guess you think I don't want you, baby
But that would be a lieGotta do what a girl's gotta do
Patience is a virtue
All good things, they say
Will come to those who waitDon't push, don't rush
Don't sacrifice our love
Don't move too soon
Slow down, baby, don't be a foolDon't suffocate the flame
If you wanna stay in the game
Ooh baby, please
Don't put no pressure on meNo pressure
No pressure
No pressure
No pressure on meYou call me up like you're on my case
Like you got no concept of space
It's all or nothing, baby
To you, it's all a gameYou shouldn't be insecure
Kick back, I'll be yours
Don't believe the hype
Just wait til' the time is rightDon't push, don't rush
Don't sacrifice our love
Don't move too soon
Slow down, baby, don't be a foolDon't suffocate the flame
If you wanna stay in the game
Ooh baby, please
Don't put no pressure on meDon't push, don't rush
Don't sacrifice our love
Don't move too soon
Slow down, baby, don't be a foolDon't suffocate the flame
If you wanna stay in the game
Ooh baby, please

Don't put no pressure on meNo pressure, baby
No pressure on meTell me, baby, tell me, baby
Whatcha gonna do with me
Tell me, baby, tell me, baby
Don't you put no pressure on meDon't push, don't rush
Don't sacrifice our love
Don't move too soon
Slow down, baby, don't be a foolDon't suffocate the flame
If you wanna stay in the game
Ooh baby, please
Don't put no pressure on me
