Verse 1:
Desert nights, I like seeing you under the stars light
Through the fire, as bright wanna know what your love feels likePre-Chorus:
I can see you're real smart, world class piece of art;
I can see you in the dark, all we have to do is startChorus:
I just wanna tell you that you're really, pretty girl
I just wanna know if you will let me, be your world;
I just know you got to taste like candy, candy girl
I just wanna tell you that you're really, pretty girl;Verse 2:
You're the one, I like I will find a reason tonight
