

# Spoonful Of Sugar (Mary Poppins) (Sing-Along)

## Disney

In every job that must be done  
There is an element of fun  
You find the fun and snap!  
The job's a game And every task you undertake  
Becomes a piece of cake  
A lark! A spree! It's very clear to see that A spoonful of sugar helps the medicine go down  
The medicine go down, the medicine go down  
Just a spoonful of sugar helps the medicine go down  
In a most delightful way A robin feathering his nest has very little time to rest  
While gathering his bits of twine and twig  
Though quite intent in his pursuit  
He has a merry tune to toot  
He knows a song will move the job along For a spoonful of sugar helps the medicine go down  
The medicine go down, the medicine go down  
Just a spoonful of sugar helps the medicine go down  
In a most delightful way The honey bee that fetch the nectar from the flowers to the comb  
Never tired of ever buzzing to and fro  
Because they take a little nip from every flower that they sip  
And hence (And hence)  
They find (They find)  
Their task is not a grind Ah, ah, ah!
