

# As the Worm Turns (2016 Mix)

## Faith No More

One day, you're thinkin' that maybe you're feelin' better  
And you're probably an okay person, if you only had a job  
Through the hollow tombs can see them  
Through their mouths, I can hear them prayin' for pain  
But it's only a game Listen man, I know  
That things are really rough  
And everybody gets you  
And life is really tough But I know  
That deep down inside  
There's a feelin' that rides  
All the way to the end Thursday you sit in your room with the lights turned out  
And you don't answer the door  
Friday morning looks sunny and bright  
Like it's goin' to be a good day  
And it would be if only you had a job
