Holy Life

The Stevenson Ranch Davidians

I've never been a religious man, no matter how hard they tried.
No ritual, doctrine, or faith, only my own mind.
But I feel the need in all of us, to believe in something, something true.
If you believe in anything, believe in me, and I'll believe in youuuu.
Holy, holy, hooollllyyy, yea.
Holy is that life. . .
I hold it all sooo sacred yea.
This Holy Life, This Holy Life. .
Awe

Holy Holy, Holy Life
Yea you better, get it right. . .
Oohhh don't you know they wanna keep you down, down, down, down, doowwnn
Oh don't let um. .

You're buying the line, for an easy way out now,
but there's no easy way. .
In this Holy Liiifffee
You gotta feed ya bout, no doooubt
Holy, holy, hooollllyyy, yea.
Holy is your life. . .
You better hold it all sooo sacred yea.
This Holy Life, This Holy Life. .
Awe

Holy, holy, hooollllyyy, yea.
This Holy Life, This Holy Life. .
You better hold it all sooo saaacreeed yea.

This Holy Life, This Holy Life. .
You better hold it all sooo saaacreeed yea.

This Holy Life, This Holy Life. .
Yea . Yea . Yea .
