

# Tantrum

## Kenny Process Team

I came to party with a thirst of for beer  
A wanna drink, so give me one to me  
My body ashes and I need one now  
I'm gonna get drunk and beer is the key  
It set my brew down for one second  
Went to the toilet - I had to pee  
When I came back it wasn't very long  
For me notice: My beer was gone  
Tantrum - who stole my beer?  
Tantrum - you must die!!!  
I searched the house from  
the top to bottom  
Checked all closets and under the couch  
Came up empty it's nowhere to be found  
Guess you stole it and I will kill  
Is this a joke or some kind of nightmare  
I want my beer and I want now  
I gonna gun and know how to use it  
And I will the choice is yours
