Run It Up

Penguin Prison

I had to sell everything
Just to buy a little more time
But I'm starting to think
I shouldn't do the same twice
Cuz I could make a mistake
But I don't need to make new ones
Cuz I'm already there
I did it to you more than onceCuz I'm falling again
Already in the same old trap
But you don't understand
There's no reason that you would
And I've been lying again
I know I shouldn't make things up
But I'm not what you think
Sorry that you came this far
Cuz I'll never be right
I don't know what you're waiting for
Cuz I don't even try
Sorry if I stayed too longCuz I'm falling again
Already made the same mistake
If you don't understand
There's no reason that you would
We can run it up
We've been holding on for too long
And we're running up
And I don't know what you want
But it's not enough
You've been holding on for too long
And I'm not enough
So you can go if you wantCuz I'm falling again
Already in the same old trap
And you don't understand
There's no reason that you wouldCuz I'm falling again
Already in the same old trap
And you don't understand
There's no reason that you would
Cuz you're falling again
Already made the same mistake
And you're falling again

There's no reason that you won't
