

High 5

Calibretto 13

You go right, I'll go left
Sometimes we don't agree
But that's okay 'cuz in the end
We're still brothers, you and me We'll go to Steak 'N' Shake sometimes
'Cuz we hang out every night
And we do the same ol' thing
Sometimes we fool around too much
'Cuz we are a frisky bunch We get in trouble everyday
Hey! Ho! Straight through the heart
I'm for you and I know you're there for me
Give me a high 5! Hey! Ho! Friends till the end
Can't you see that's the way it's got to be?
You're the money and the bomb
But I talk about your mom
Even though it isn't right Go to Mikey's, play some games
Stay up till the break of day
Maybe get into a fight
Even though we're hittin' 20 And we haven't yet matured
You know I think it's kinda funny
That we're all a bunch of nerds
Can't you see God has destined us to be?
