

# The Darkest Nights

Sean Townsend

For so long I have felt alone  
Content to live with unrest  
Longing faded into countless nights  
That buried my weary heartBut you brought an end  
To this dead hour  
And meaning to a calloused life  
Held in your armsBut too far from my heart  
These thoughts will carry me through  
The darkest nights  
While your eyes rest in mineI remember the way you looked at me  
And the way you drew me close  
With one deep sigh, scattering pieces of my restless mind  
Forgetting all that we have left behind
