

I'm Glad There Is You

[Jamie Cullum](#)

Said I many times, love is illusion
A feeling result of confusion
With knowing smile and blase sigh
A cynical so and so was I feel so sure, so positive
So utterly unchangeably certain
That I never was aware of loving you
'Til I suddenly realized there was love in you and oh In this world of ordinary people
Extraordinary people, I'm glad there is you
In this world of overrated pleasures
And underrated treasures, I'm glad there is you I live to love
I love to live with you beside me
This role, so new I'll muddle through with you
If you'll guide me through In this world where many many play at love
And hardly any stay in love, I'm glad there is you
More than ever, I'm glad there is you
Said I many times, love is illusion
