

Flaws

Bombay Bicycle Club

Taking a second plan,
Begging to understand,
Life of a selfless man.
'Cos out of all the flaws I've stumbled upon,
It's the hardest one to focus on.
It's the hardest one to focus on.

Why are you calling out,
Isn't one enough?
Given up all she's got.
'Cos out of all the flaws I've stumbled upon,
It's the hardest one to focus on.
It's the hardest one to focus on.
