Give It Up

Beta 2, Zero Tolerance&Calibre

A Teens are back to give the right type of feelings
To make you dance to make your happiness grow
We'll never stop the music we're never leaving
Until you got it right and no one feels low
'Cause what you need is what you get
(Yeah, yeah, yeah)
So let it loose
You better go crazy
Give it up, give it up, give it up now
There's something you can do
Put a smile on your face and that's how
You're gonna make it
Give it up, give it up, give it up now
There's something you can do
To the left to the right, spin around now
That's how we do it
Can you feel the ground is shaking, voices are calling
For you to move your body, for us to give the groove?
(Yeah, yeah)
Nothing can stop us now, you don't have to worry
We give it all to you and that's what we do
(Yeah)
'Cause what we need is what we get
You're loose
Just keep on going crazy
Give it up, give it up, give it up now
There's something you can do
Put a smile on your face and that's how
You're gonna make it
Give it up, give it up, give it up now
There's something you can do
To the left to the right, spin around now
That's how we do it
Do this, yeah, do that, yeah, everybody come on do it phat
(Yeah)
Move it yeah, prove it, yeah, that you can do it like this, yeah
Do this yea do that yea everybody come on do it phat
(Yeah)
Move it, yeah, prove it, yeah, that you can do it like this, yeah

Give it up, give it up, give it up now
There's something you can do
Put a smile on your face and that's how
You're gonna make it
Give it up, give it up, give it up now
There's something you can do
To the left to the right, spin around now
That's how we do it
