

# A Sunday Smile (live Kexp radio)

## Beirut

All I want is the best for our lives my dear,  
And you know my wishes are sincere.  
What's to say for the days I cannot bear  
A Sunday smile you wore it for a while.  
A cemetery mile we paused and sang.  
A Sunday smile you wore it for a while.  
A cemetery mile we paused and sang.  
A Sunday smile and we felt true. (and) We burnt to the ground  
Left a view to admire  
With buildings inside church of white.  
We burnt to the ground left a grave to admire.  
And as we reach for the sky, reach the church of white.  
A Sunday smile you wore it for a while.  
A cemetery mile we paused and sang.  
A Sunday smile you wore it for a while.  
A cemetery mile we paused and sang.  
A Sunday smile and we felt true. (and)
