Pollen

Mirah

You've got pollen on your nose
Where've you been? Where've you been?
Pretty pretty bunch, i'll take a dozen of those
You've got pollen on your noseI want love in the afternoon (x4)You've got pollen on your nose
Where've you been? Where've you been?
We make the dirt go flying with the shovels and hoes
You've got pollen on your noseI wait and see if you'll give it to me (x4)
