

# Warrior

## Skarlett Riot

How did you sleep  
How did you feel  
When you attacked? me  
I cant believe  
You didnt see  
How cruel you could be  
Those sleepless nights  
Inside my head  
No one there to save me  
But you're so weak  
To call on me  
And now i can see clearly  
I'm stronger than before  
I'm not afraid  
To face the enemies  
A warrior  
I'm braver than before  
I'm not afraid  
To face the world alone  
A warrior  
You raised a fist to me  
Spat right at me  
So everyone can see  
I've felt so worthless  
Time passes by  
I realise  
You're just a bully  
What have i done  
So damn wrong  
Who'll miss you when you're gone  
I'm stronger than before  
I'm not afraid  
To face the enemies  
A warrior  
I'm braver than before  
I'm not afraid  
To face the world alone  
A warrior  
I hold my head up high

Shout the name  
A warrior  
I wont look back  
It's over now  
You're starting a war  
You've been defeated  
You're starting a war  
I am a warrior  
You're starting a war  
Warrior  
You're starting a war
