

# Comes Love

[Robin McKelle](#)

Comes a rain storm, put your rubbers on your feet  
Comes a snow storm, you can get a little heat  
Comes love, nothing can be done  
Comes a fire, firemen come and rescue me  
Blow a tire, you can patch the inner tube  
Comes love, nothing can be done  
Don't try hidin'  
'Cause it isn't any use  
You'll just start slidin'  
When your heart turns on the juice  
Comes a heat wave, you can hurry to the store  
Come a summons, hide yourself behind a door  
Comes love, nothing can be done  
Comes a headache, you can lose it in a day  
Comes a toothache, see your dentist right away  
Comes love, nothing can be done  
Comes the measles, you can quarantine the room  
Comes a mousie, you can chase it with a broom  
Comes love, nothing can be done  
That's all brother  
If you've ever been in love  
That's all brother  
And you know just what I'm speakin' of  
Comes a nightmare, you can always stay awake  
Comes depression, you could get another break  
Comes love, nothing can be done, nothing can be done
