

# Somebody to Love

Leighton Meester

Paris, France to Michigan  
London town and through Berlin  
I can't believe this place I'm in  
Everywhere and back again Porcelain and China dolls  
Give me one, I seen 'em all  
Got my back against the wall  
Wonder where I'll be tomorrow? But wait, now how long could this take?  
It's hard to find a mate when you're gone before he wakes  
They say it's hard to achieve  
But can't a girl believe? Is there somebody who still believes in love?  
I know you're out there  
There's got to be somebody, I search around the world  
But I can't seem to find somebody to love Baby girl, there you at  
Looking at me like a putty cat  
Wondering where that thing is at  
Wondering where your ring is at Nobody ever did it quite like this  
Nobody ever did it quite like you  
Do your hair, I bought you shoes  
We can hit the town like superstars do You want love?  
Then let me show you love  
Give me the key to your heart  
I can give you what you want When you're waiting around  
And you're lookin' for someone  
I'ma turn you right to the way to a woman Is there somebody who still believes in love?  
I know you're out there  
There's got to be somebody, I search around the world  
But I can't seem to find somebody to love Is there somebody who still believes in love?  
I know you're out there  
There's got to be somebody, I search around the world  
But I can't seem to find somebody to love Je t'adore, je t'adore  
Make a move, do the thing  
Turn around, strike a pose Je t'adore, je t'adore  
Make a move, do the thing  
Turn around, strike a pose Ooh, I like it  
Ooh, I need it  
Ooh, I want it  
Hey, hey I know it's hard to achieve  
But can't a girl believe? Is there somebody who still believes in love?  
I know you're out there

There's got to be somebody, I search around the world  
But I can't seem to find somebody to loveIs there somebody who still believes in love?  
I know you're out there  
There's got to be somebody, I search around the world  
But I can't seem to find somebody to loveYou say hello, I say goodbye  
Somebody to love  
You say hello, I say goodbye  
Somebody to loveAlright, somebody to love  
Oh babe, somebody to love  
Alright, somebody to love
